

GOOSE CP TRAINING

Knowledge is strength

Goose CP with over 20 years of international security “know how,” specialises in counter terrorism, and are one of the world's leading authorities in the field of international close protection.

Goose Cryer M.C., the founder of Goose CP known to the international security industry as Goose served a full military career in the Parachute Regiment and the UK Special Forces where Goose was the instructor for close protection (CP). Goose Cryer M.C. has served on many deployments including serving in the former Yugoslavia where Goose was the CP officer in charge for the UN Commander, Sir Michael Rose.

Goose has been represented in the following books,

- Fighting For Peace - Sir Michael Rose
- Trusted Mole - Milos Stankovic
- The Sandline Affair - Tim Spicer
- Close To The Edge - Jim Davidson

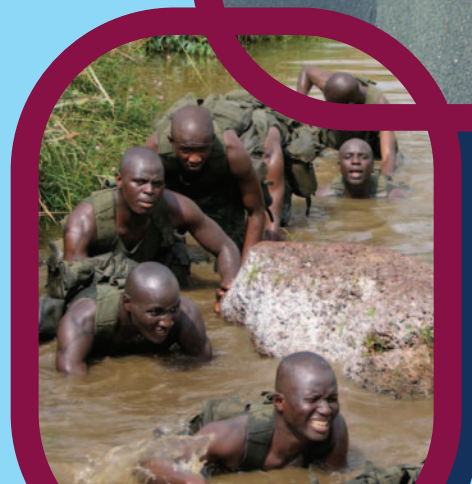

Goose CP provides you expertise and knowledge tested and case-hardened in the world's most hostile environments. This places Goose CP as the principal team to meet all your international security requirements.
